8                    **By United States Mail:** I enclosed the document in a sealed envelope or package addressed to the  
 9                   persons at the addresses listed above and placed the envelope/package for collection and mailing, following  
 10                  our ordinary business practices. I am readily familiar with this business's practice for collecting and  
 11                  processing documents for mailing. On the same day that the document is placed for collection and mailing,  
 12                  it is deposited in the ordinary course of business with the United States Postal Service, in a sealed envelope  
 13                  with postage fully prepaid. I am aware that on motion of the party served, service is presumed invalid if  
 14                  postal cancellation date or postage meter date is more than one day after the date of deposit for mailing an  
 15                  affidavit.

16                  I am a resident or employed in the county where the mailing occurred. The envelope or package was placed  
 17                  in the mail at Oakland, California.

18                   **By Fax Transmission:** Based on an agreement of the parties to accept service by fax transmission,  
 19                  I faxed the documents to the persons at the fax numbers listed above. No error was reported by the fax

21                   **By Overnight Delivery:** I enclosed the documents in an envelope or package provided by an  
 22                  overnight delivery carrier and addressed to the persons at the addresses listed above. I place the envelope or  
 23                  package for collection and overnight delivery at an office or a regularly utilized drop box of the overnight  
 24                  delivery carrier.

25                   **By Personal Service:** I personally delivered the documents to the persons at the addresses listed  
 26                  above. (1) For a party represented by an attorney, delivery was made to the attorney or at the attorney's  
 27                  office by leaving the documents in an envelope or package clearly labeled to identify the attorney being  
 28                  served with the receptionist or an individual in charge of the office. (2) For a party, delivery was made to  
 29                  the party or by leaving the documents at the party's residence with some person not less than 18 years of age  
 30                  between the hours of eight in the morning and six in the evening.

31                   **By Messenger Service:** I served the documents by placing them in an envelope or package  
 32                  addressed to the persons at the addresses listed above and providing them to a professional messenger  
 33                  service for service. (*A declaration by the messenger must accompany this Proof of Service.*)

34                   **By E-Mail or Electronic Transmission:** Based on a court order or an agreement of the  
 35                  parties to accept service by email or electronic transmission, I caused the documents to be sent to the  
 36                  persons at the e-mail addresses listed above. I did not receive, within a reasonable time after the  
 37                  transmission, any electronic message or other indication that the transmission was unsuccessful.
